The beliefs or opinions that are generally held about someone or something or so widespread belief that someone or something has a particular habit or characteristic.

The Reputation Bank is a stakeholder centric approach to communications and reputation planning. Designed for employees ranging from entry level to C-suite, this process helps you turn the planning lens from an internal perspective to one that is truly focused on stakeholders' wants, needs, ambitions, and aspirations.

By the end of this course, you will be able to:

- ML Need some help here with 4-5 bullet points on what people will be able to do once finished with this course

Included in the course license fee:

- 12 months access to our secure, digital online course
- Optional download of the SCORM LMS module
- 3+ hours of interactive video training by reputation expert MaryLou McNally
- Digital interactive worksheets to help you define your reputation shortcomings, goals, and areas for improvement
