EXPERIENCED, CREDIBLE, RELATABLE

Dan's background is a unique mix of marketing and customer experience. He served in multiple leadership positions at three Fortune 300 companies and two B2Bs, and played a key role in Discover Card winning the coveted J.D. Power Award for Customer Satisfaction.

Business leaders don't need someone to pontificate about lofty goals and hypothetical situations. Dan's strong professional background gives him the credibility to recommend simple, practical, and inexpensive solutions to inspire employees to push their company's customer experience to the next level.

A man with a shaved head, wearing a dark blue blazer over a light-colored checkered shirt, is speaking on a stage. He is gesturing with his right hand, pointing towards the audience. The background is dark with green stage lights visible on the left. In the top right corner, there are two large, stylized white quotation marks.
