**GABY'S MESSAGE
COULDN'T BE**

Timelier.

As someone who has consistently proven herself in many situations where she was considered "the first like her," she invites participants to embrace what makes them one of a kind and use their own flavor of uniqueness to break barriers and take the first step on their journey to redefine what is possible. These concepts are particularly powerful in a corporate setting where executives and their employees can turn discomfort into a powerful wake-up call for transformational leadership and exponential personal growth.

KEYNOTE

There are many stages in life when we are asked to envision what the future will hold for us. **Gaby Natale** offers a fresh perspective on how to think of yourself as a modern-day pioneer and turn discomfort into a wake-up call for transformational leadership and personal growth. Using a spirited blend of self-discovery techniques and storytelling about her improbable journey to success, this keynote invites the audience to be their own change agent and reminds them that no roadblock is insurmountable if you embrace the pioneer spirit.

PIONEER: EMBRACE YOUR UNIQUENESS, BREAK BARRIERS AND REDEFINE WHAT IS POSSIBLE

The real-world challenges that companies, executive leaders and employees face today can feel like a fork in the road. We either resist change, choose comfort and remain stagnant, or we make a conscious choice to evolve, however discomforting it may feel, to become the change we want to see in the world. Leveraging over a decade of interviews with newsmakers, celebrities and pioneers from all walks of life, Gaby Natale's inspiring keynote reminds audiences that pioneers are not extraordinary people. Pioneers are ordinary people who chose to see themselves and the world in an extraordinary way. Everyone is capable of astounding evolution as long as they access the right tools and mindset. Framed by her relentless enthusiasm and groundbreaking career as the first Latina in the history of US television to win three back-to-back Daytime EMMYs as well as being the first Latina to be published by HarperCollins Leadership, Gaby delivers actionable advice on how to become driven and ready for whatever comes next. What makes this keynote stand out is the fact that Gaby has personally tested every strategy she talks about in her own life, as she embraced her uniqueness, broke barriers and ultimately redefined what was possible. Now she is teaching global audiences to do the same.
